

Welcome to the National Galleries of Scotland Art Competition for Schools and Families 2020

The closing date has been extended due to the covid-19 situation. We are currently unable to set a closing date but expect it to be in the autumn. Please check our website and social media for updates. Please keep hold of your entries until further notice.

We invite families to send entries direct to us. Equally, if teachers have tasked pupils with creating entries at home, these can be gathered by the teacher when schools reopen and sent to us.

For full information on how your personal data is used for the purposes of the Art Competition, please see the privacy notice on our website.

Any questions? Please email ArtComp@nationalgalleries.org

Entry process for families and schools:

- Please read the instructions for each category very carefully. These can be found on our website.
- Please complete an entry form (or provide all the information requested) and include with your entry.
- Make sure that the name of each child is written very clearly and spelt correctly as no amendments can be made at a later stage.
- Entries are best kept flat rather than rolled (with the exception of large group entries).
- Entries should be delivered to Scottish National Gallery.

Good luck! We hope that you and your pupils/children have a really enjoyable time participating in the National Galleries of Scotland Art Competition.

Please send your entry/entries to:
