Art Stomps
for Under 5s

• READ the poems together.
• FIND the artworks nestled in nature.
• CREATE your own seasonal sculptures.

Spring
Find 5 things that you can balance on top of each other. Stones, sticks and leaves are excellent sculpture materials!

Summer
Climb and conquer the grassy Landform sculpture. Take a photograph of the view from the top!

Autumn
Kick and collect the leaves to make your own autumn scene.

Winter
Keep your eyes peeled and ears open for sights and sounds of nature, along the wintry Water of Leith.

There’s lots to discover at Scottish National Gallery of Modern Art! Head indoors to see the latest exhibitions, take part in our year round programme of family activities or just enjoy our cafés. You can eat any snacks that you have brought with you in the Art Space 2 at Modern One and we welcome picnics in the grounds outside. We’re free and open every day.

We are here to help you make the most of your visit, ask us if you need anything.

Kyoto (Autumn Leaves), 1993, Felicitas Vogler
1. Where is the bright blue neon light, telling you EVERYTHING IS GOING TO BE ALRIGHT?

2. Take a step back, look up to the sky... who’s that tweeting from up high?

3. Make a wish by a Magic Stone, a special wish of your very own

4. Amongst the trees have you spied... two large white stones lying side-by-side?

5. Find a head stuck in the ground. Who might he be? Who else can be found?

6. Oh no! The animals have escaped! How many can you see? Count them 1, 2, 3...
