What is a gallery label?

A gallery label hangs on the wall next to the artwork and tells the visitor more about it.

Sometimes it tells us:

- More about the **artists life**
- **Why** the artist made this artwork
- **How** the artist made this artwork
- Describes details of the artwork.

We would like you to write your own labels for these paintings. Here are some ideas and suggestions to get you started on your writing:

- What can you see?
- Describe the shapes, pattern, colours and textures
- How does the artwork make you feel and why?
- What do you think, love, hate about the painting?
- What's it about? What could it mean?
