The gallery tends to be quieter first thing in the morning. Exhibitions change regularly, visit our website to see what's on. Accessible parking is at the rear of the building next to the accessible entrance. There is a Changing Places toilet in the rear car park of Modern One. Ask a member of staff if you need a quiet space, or you are welcome to use the sculpture park. There's seating and portable stools available throughout the gallery. Please speak to a gallery attendant if you have a query, we are here to help.
